Extra Notes:

I will keep it brief today.

1. If you come in while we are praying or saying the Pledge of Allegiance please quietly wait by the door. It is rather distracting to others while we are praying.

2. We will not be testing alphabets this week. We are doing end of the reading unit and math testing this week to get ready for report cards. We will begin testing letter sounds next week.

3. We are still having trouble with getting our names on ALL of our homework pages. Please try to have your student do that each night. But, we have seen a big improvement on doing homework in pencil only- HOORAY!!!!!!

That is all for now. Have a safe and happy Halloween!!

Blessings, Mrs. Urbaniak
