

Life Science  
Week 2  
September 5-9

We explored the Scientific Method last week in an experiment titled “Sink or Swim”. This week we will make observations with a frog hunt and begin Chapter 1. Here is what I have planned for this week:

**Monday:** No School~Labor Day

**Tuesday:** Frog Hunt observations  
Read & Discuss Section 1  
**Homework: New Vocabulary**

**Wednesday:** Vocabulary due\*  
Read & Discuss/Wrap Up 1-1  
**Homework: Worksheet 1**

**Thursday:** Correct Worksheet 1  
Read & Discuss Section 2  
Diffusion Jar & Air Freshener Demo  
**No Homework**

**Friday:** Current Science Day

***New Vocabulary:***

- a. organism   b. cell   c. unicellular   d. multicellular
- e. development   f. stimulus   g. response   h. reproduce
- i. spontaneous generation
