

**Dear Parents,**

This week, in Physical Science, we will explore the scientific method in an activity titled “The Never-ending Fountain” This is a short week so your child will have minimal homework as we ease back into a school routine. Here is what I have planned for this week:

**Wednesday:** The Never-ending Fountain  
Vocabulary  
1:30 Mass

**Thursday:** Fountain conclusion  
Begin Chapter 1, Section 1  
1:30 Band Assembly  
Vocabulary Due\*\*

**Friday:** Current Science  
Fun Run Assembly @ 10:15

**New Vocabulary:**

1. hypothesis
2. Scientific Method
3. observation
4. inference
5. variable
6. Controlled Experiment
7. conclusion
8. data
9. procedure

***Enjoy your 3 day weekend!!***
