

Physical Science
Week 9
October 10/31-11/Novemer 11/4/11

Dear Parents,

Our alien periodic table is done and so is our Chapter 3 test. For this week we will be finishing up Chapter 4 (a small chapter) and I have our test tentatively scheduled for Wednesday.

Monday: Wrap up Section 3 & take notes
Homework WS pgs. 47&48
When done students can study for their test

Tuesday: Correct homework work sheet sheet
Quiet work day
Students do their Chapter Review #1-14, 17, 20-28 & Vocab.
Review worksheet (they can work in pairs if you want)
If you need extra, correct the chapter review and study for test

Wednesday: If you didn't correct chapter review, correct it today
TEST Chapter 4
When done students can read quietly or draw

Thursday: Go over Chapter test
Begin and take notes on section 1 Chapter 5

Friday: Current Science Quiz

Enjoy Your Weekend!
