

# Ways to Study Words

Choose 2 ways to study your words from the list below. One way must show the meaning of the word and one way must practice the spelling of the word. Complete the activities you chose and turn in by next Wednesday.

## **These activities practice the spelling:**

1. Write the word many times correctly. (at least 5)
2. Put a list of words into alphabetical order.
3. Divide the word into syllables.
4. Count the vowels and syllables in the word. (Form in black box)

## **These activities practice the meaning of the word:**

1. Draw a picture of what the word means. (Form in black box)
2. Write the word with an adjective or adverb to describe it.
3. Use the word to describe something else.
4. Give synonyms and antonyms for the word. (Form in black box)
5. Create a crossword puzzle from the list of words. (Use [Eclipsecrossword.com](http://Eclipsecrossword.com))
6. Write the definition of each word.
7. Tell what part of speech each word is. (Form in black box)

**In addition to the two activities you choose you must also write a sentence using each word. Sentences need to be 8 words or more and clearly show the meaning of the word.**
