GREETINGS FROM THE THIRD GRADE

Dear Third Grade Parents,

I cannot tell you how ecstatic I am to have all of your children in my classroom. These last three days we have been getting back into the swing of things. I have given them two inventories, one in math and one in reading to show me where they are starting from.

I hope that all of you are able to make it to back to school night next Thursday (9/8) at 6:30 in the gym. This is an opportunity to meet other parents in our classroom and for me to give you an overview of

the third grade curriculum and important events this year.

At this school we have a Parent's Club that throughout the year helps with a variety of events at our school. As teachers we would like to have maybe 2 parents who are willing to be part of Parent's club. They meet on the 3rd Wednesday of every month. If you cannot make Wednesday evenings but would like to be involved with Parent's Club, there are volunteer opportunities in the St. Mary's Bell, or you can contact Mrs. Davis at ext. 203. Any questions

about Parent's Club or third grade in general I will be happy to answer.

I hope to see all of you at Back to School night next Thursday.

God Bless,

Mrs. Cooley :)
