GREETINGS FROM THE THIRD GRADE

Dear Third Grade Parents,

It was so nice to see those of you that could make it to back to school night last night. For those of you that weren't able to make it I have posted the homework and other expectations on my website. I am happy to answer any questions you might have.

One thing I did forget to address last night was Parent Club. As Mrs. Nauditt said last night, all of you are part of this club by just having your child or children in this school. Throughout the year par-

ents club sponsors different events at St. Mary's (spaghetti feed, Halloween carnival, etc.), if you would like to help with any of these events, opportunities are listed in the Bell, or you can contact Mrs. Davis for more information about Parents Club.

This week in the third grade we have finished up our beginning of the year assessments. Mrs. Bard our reading specialist from Central Valley came and did a DIEBEL test on

the third grade as well and I should have those results soon. I hope all of you have a wonderful weekend and enjoy the beautiful weather

God Bless,
Mrs. Cooley
